

It's Not Just A Dogs Home

Volunteer opportunity

About us

We take in the lost and abandoned dogs of Merseyside, those dogs that are collected by the Dog Wardens and go unclaimed. Finding homes for over 400 dogs a year. But we do much more than this, we are the Only Dogs Home in the Country undertaking a superdog programme www.superdogs.org.uk

In September 2017 Prince William discussed with us our groundbreaking work and this year we are Animal Charity Team of the year.

Vacancy: Social media respondents

Our social media page is very busy, competing with some of the more known dog's homes such as Battersea. Focusing on engagement and responding to conversations is very important to us. We will train you, to find the information and respond on our behalf, taking people through a journey to membership.

Hours

We are seeking volunteers to do two evenings a week from 6pm to 9pm, including weekends. Friday evenings and Saturday daytime are our most active times, so some additional Saturday daytime hours would be useful.

Location

We will give volunteers access to our pages and database in order for them to work from anywhere they wish but meetings will be held twice a month at the Hub on Hanover Street in the City Centre.

Merseyside Dogs Home is Based on the out skirts of Liverpool in Halewood, south of the city past the Airport. Journey train from Lime Street is every half an hour taking 20 minutes by Arriva bus it is every half an hour taking forty minutes. It is just too far to walk from the shopping centre in Halewood to the kennels, if visiting to volunteer, arrange in advance for pick up from the Halewood.
